## Message:

Dear Erin or Frank,

A mistake has been made due to a typo. The attached copy of the 7/26/98 letter instructed \$21,500 from 1ZA111-3 be transferred to 1A0102 and \$21,500 from 1ZA112-3 be transferred to 1A0102. I see from the monthly statements for July (attached) that the transfers went to 1ZA10230 instead of 1A0102. Perhaps the full account number should have been referenced in the letter of instructions. It is 1A010230. My wife, Susan, did follow up the letter with a phone call to confirm everything was clear.

Please correct this mistake and see to it that the transferred amounts and results from trades made (or that would have been made) on this amount are also credited to the proper account. I will try to reach you on Monday to verify that the corrections have been made.

Thank you for your attention to this matter,

Steven J. Andelman
